ABSTRACT

This report includes directories of public libraries, single-county public library systems, multi-county public library systems, and multi-type library systems in Alabama. Cross references are included to provide access to the libraries by library name and librarian. Statistics on individual libraries for fiscal year 1995 provide data on service outlets, staff, and hours; print and non-print resources; income; income percentages; salaries and materials expenditures; other expenditures; circulation; and reference services and programs. Library rankings by staff, total volumes held, total circulation, total income, and expenditures (total, local per capita, and total per capita) are also included. (SWC)
